APPENDIX 4. NATURE BASED TOURISM REVIEW SCOTTISH BORDERS - Ground-Truthing Check List Sheets.

1. Cluster Name and Number 1. Berwickshire Coast
2. General description of cluster area Coastal edge; diverse landscapes; cliffs – intensive agriculture- moorland
3. Does the cluster 'make sense' Yes – focussed along the coastline
4. Settlements within / adjacent to the cluster (list them) Coldingham, St Abbs, Eyemouth
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc Limited. Hotel, B&B, Café, public loos, good local pub with food (C'ham)
6. Name and GR of Anchor Site St Abbs Head NT915693
7. Facilities at anchor site (parking, loos, picnic sites etc) Loo at Car Park (half a mile from anchor site); seasonal cafe
8. Access within the cluster (roads, footpaths) Mostly by foot along coastal foot path
9. Access to the cluster sites Relatively short walks
10. Other Notes Anchor site has 'pulling power', but the National Trust are 'keying-down' due to trampling pressure on sssi

1. Cluster Name and Number 2. Berwickshire and Lower Tweed
2. General description of cluster area Intensive lowland arable – in a valley though the river is not evident from much of it – ie does not give much 'atmosphere' other than in a few small locations
3. Does the cluster 'make sense' A bit 'disparate'
4. Settlements within / adjacent to the cluster (list them) Paxton, Foulden and Mordington – small but all close to Berwick Upon Tweed (in Northumberland)
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc Poor – Paxton house has them but seasonal only
6. Name and GR of Anchor Site Paxton House NT931533
7. Facilities at anchor site (parking, loos, picnic sites etc) All available but seasonal
8. Access within the cluster (roads, footpaths) Good – mostly 'B' roads with occasional fields
9. Access to the cluster sites 'A' road (Berwick – Duns)
10. Other Notes Paxton House would be a good facilitator. Potential for more sites along the Whiteadder River

1. Cluster Name and Number 3. Penmanshiel – Abbey St Bathans
2. General description of cluster area Upland fringe and enclosed valley
3. Does the cluster 'make sense' Yes – mostly upland valley but a bit disparate
4. Settlements within / adjacent to the cluster (list them) Granthou and Abbey St Bathans
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc Poor
6. Name and GR of Anchor Site Abbey St Bathans NT762625
7. Facilities at anchor site (parking, loos, picnic sites etc) Poor - Seasonal Loo and cafe
8. Access within the cluster (roads, footpaths) Varied overfields and along foot paths
9. Access to the cluster sites Relatively short walks mostly from 'B' roads
10. Other Notes

1. Cluster Name and Number 4. Lammermuir Hills
2. General description of cluster area Upland / Heather - moorland
3. Does the cluster 'make sense' Yes - all upland experience
4. Settlements within / adjacent to the cluster (list them) Duns
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc Limited. Hotel, B&B, Café, public loos, good local pub with food
6. Name and GR of Anchor Site Duns town
7. Facilities at anchor site (parking, loos, picnic sites etc) Poor – needs interperation -
8. Access within the cluster (roads, footpaths) OK – from road
9. Access to the cluster sites OK – mostly from road
10. Other Notes Poor anchor site – better to have anchor location based at Duns Good for driving; link to westruther

1. Cluster Name and Number 5. Duns
2. General description of cluster area Town 'fringe' sites; wooded; open views of the Berwickshire Merse and across to Cheviots
3. Does the cluster 'make sense' Yes
4. Settlements within / adjacent to the cluster (list them) Duns Town
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc Limited. Hotel, B&B, Café, public loos, good local pub with food (C'ham)
6. Name and GR of Anchor Site Duns Castle
7. Facilities at anchor site (parking, loos, picnic sites etc) Poor but v.close to town
8. Access within the cluster (roads, footpaths) easy – all road
9. Access to the cluster sites all walkable from Duns
10. Other Notes Sites include two country houses

1. Cluster Name and Number 6. Greenlaw / Blackadder
2. General description of cluster area Lammermuir Fringe
3. Does the cluster 'make sense' Yes – tho' diverse nature of sites
4. Settlements within / adjacent to the cluster (list them) Greenlaw, Polwarth
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc Limited. To local pub with food (C'ham)
6. Name and GR of Anchor Site Greenlaw town
7. Facilities at anchor site (parking, loos, picnic sites etc) as above
8. Access within the cluster (roads, footpaths) Good road network
9. Access to the cluster sites Mostly OK – Langton Lees difficult (over fields)
10. Other Notes No Anchor site – therefore depend on Greenlaw town

1. Cluster Name and Number 7. Coldstream and Tweed
2. General description of cluster area Lowland valley – with a 'Tweed' focus
3. Does the cluster 'make sense' Yes
4. Settlements within / adjacent to the cluster (list them) Coldstream, Birgham
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc Good in both Coldstream and the Hirsell
6. Name and GR of Anchor Site Hirsell Country Park NT836403
7. Facilities at anchor site (parking, loos, picnic sites etc) Loo , picnic sites and seasonal cafe
8. Access within the cluster (roads, footpaths) Good (roads)
9. Access to the cluster sites Easy
10. Other Notes The Hirsell very attractive, well maintained – a potential 'facilitator'

General Description of Clusters not specifically visited :

- 8. Gordon;** Berwickshire Merse, rolling arable countryside, game shooting country; including SWT nature reserve (Gordon Moss) and country house which accomodates the public (Mellerstain). Local town of Gordon has all facilities
- 9. Kelso;** Picturesque; dominated by country houses including Floors Castle with policy landscapes; Game fishing country
- 10. Yetholm;** Cheviot fringes; wild country; dominated by water (two lochs and a small river) and hills
- 11. Teviot;** A weak clustering focused on the River Teviot
- 12. Jedburgh;** A diverse and attractive range of sites in the vicinity of Jedburgh town; strong landscape dominated by western cheviot foot hills and southern upland foothills; beginning of sheep country

1. Cluster Name and Number <i>13, St. Boswells</i>
2. General description of cluster area <i>Open Countryside, Lightly Wooded</i>
3. Does the cluster 'make sense' <i>Yes</i>
4. Settlements within / adjacent to the cluster (list them) <i>St. Boswells, Dryburgh</i>
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc <i>All</i>
6. Name and GR of Anchor Site <i>Scott's View NT594342</i>
7. Facilities at anchor site (parking, loos, picnic sites etc) <i>Car Park</i>
8. Access within the cluster (roads, footpaths)
9. Access to the cluster sites <i>Access to all via road network</i> <i>Dryburgh Abbey , Smailham Tower, close.</i>
10. Other Notes <i>Scott's favourite view of open countryside to Eildon Hills, And Old Melrose Site.</i> <i>and River Tweed.</i> <i>Interpretation Board.</i> <i>Guided walks.</i> <i>Part of St. Cuthbert's Way Walk.</i>

1. Cluster Name and Number <i>14, Galashiels</i>
2. General description of cluster area <i>Town and Uplands.</i>
3. Does the cluster 'make sense' <i>Yes</i> <i>Call Cluster Galashiels / Melrose!</i>
4. Settlements within / adjacent to the cluster (list them) <i>Galashiels, Melrose</i>
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc <i>All</i>
6. Name and GR of Anchor Site <i>Abbotsford House NT 507342</i>
7. Facilities at anchor site (parking, loos, picnic sites etc) <i>Parking for cars and coaches outside main entrance, Toilets, Gift shop, Tearoom,</i> <i>Picnic Site.</i>
8. Access within the cluster (roads, footpaths)
9. Access to the cluster sites <i>Main Roads and footpaths</i>
10. Other Notes <i>Contact 01896 752043</i>

1. Name and Number <i>15, Selkirk</i>
2. General description of cluster area <i>Town, Open Country Side with Some Woods</i>
3. Does the cluster 'make sense' <i>Yes</i>
4. Settlements within / adjacent to the cluster (list them) <i>Ettrickbridge, Lindean, Midlem, Selkirk</i>
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc <i>All</i>
6. Name and GR of Anchor Site <i>Lindean Reservoir NT 503292</i>
7. Facilities at anchor site (parking, loos, picnic sites etc) <i>Small Car Park</i>
8. Access within the cluster (roads, footpaths) <i>Main Roads and footpaths</i>
9. Access to the cluster sites <i>Close to Lindean Woods.</i>
10. Other Notes <i>Loch, marsh and Grass land. Wooded Island with over 200 Flowering plants.</i>

<i>Way marked paths. Nest boxes and Hides. Interpretation Board.</i>
<i>Fishing.</i>
<i>Contact Borders Regional Council.</i>

16. W.Lammermuirs and Lauder; Strong broadleaved woodland theme; wooded valley (policies along Gala Water), policies around Thirlestaine Castel (majestic); and two community woodlands (Wooplaw mature and with car park and picnic facilities)

1. Cluster Name and Number
<i>17, Hawick</i>
2. General description of cluster area
<i>Town with Open Countryside.</i>
3. Does the cluster 'make sense'
<i>Yes</i>
4. Settlements within / adjacent to the cluster (list them)
<i>Hawick, Denholm.</i>
5. General facilities available within the settlements for eating, sleeping, lavatories etc and level of service ie restaurant, cafe, tea room, b&b, hotel etc
<i>All</i>
6. Name and GR of Anchor Site
<i>Whitlaw Woods NT 500132</i>
7. Facilities at anchor site (parking, loos, picnic sites etc)
<i>Car Park Adjacent to Golf Course.</i>
8. Access within the cluster (roads, footpaths)
<i>Main Roads and Footpaths</i>
9. Access to the cluster sites
10. Other Notes
<i>9 Ha of woodland above Slitrig Water.</i>
